7 Callmeawinner was clearly beaten in the last V75 race but put in several strong performances before that. She has earned most money here. Good chance. 3 Kiss My Lips H.C. scored a sensational win in the V75 two starts back and looked nice. Broke directly in the last run. 4 A La Partenza won on Mantorp and was improved a lot. Should be considered early in this company. 6 Virna Jet broke in the last Swedish debut. Is not reliable but has good pace.

2 Bowling el Mar got a nice run in the last start and won easily on a wet track. Is a nice filly on the way up. Our pick. 6 Legacy H.H. resumed from a spell i the last run and won directly after an early lead. Will challenge for victory here too. 1 Petruska did alright in the last run. Is well drawn and could score a place here. 3 Far from Over was better than ever in the last run. He should not be overlooked.

9 Viking's Topline is a bit up and down but scored a comfortable win in the last run. Nice task here and our winner. 3 Digger Lord is consistent and good but does not win very often. Will get a nice run with this number and is in the mix again. 5 Quattro Töll uses to compete in the V75. Can do better than he showed in the last run and should not be overlooked. 7 Jack Bowler scored a close but comfortable win on the open stretch in the last run. Possible again with some racing luck.

3 Barry B. is tricky and has broken in four out of the last five starts. When he avoided a mistake he won in the lead. Quick starter. Good chance without an error. 6 Peck run in the lead in the last run but got defeated at the end. Could reach the front here too. Early choice. 10 G.K.Trixy has got a couple of tough runs lately and done well. Back row draw now but with the right run from behind she can finish well. 1 Skyliner is chasing the first victory. Has got a nice number for a defensive run.

10 Burning Man resumes from a longer pause. Got a tough run outside of the leader in the last run and was brave. He has earlier won over three laps so he stands this distance. 11 Fullpoint broke on the way to victory with 50 meter to go in the last run. He is not reliable but if he avoids a mistake he is an early contender. 7 Gentleman can do better than he showed on Åby on January 17. With some racing luck he is in the mix. 2 Kennedy is strong but not reliable. Outsider without an error.

3 Global Writer won in the lead three starts back. Nice number here and our pick even if he has been a non starter due to fever after the last run. 6 Raja Piraya did not convince from behind the leader in the last run. Should be improved by that start and will challenger for victory in that case. 8 Zeno Lans makes his debut for a new trainer. Uses to compete over the short distance. Scored a strong win from outside the leader on August 5. 10 Shutupandscratchme came back strongly after an early mistake in the last run.
